5 Click the correct answer from the choices below.

FRENEMIES

Do certain friends often annoy you and ¹... your feelings? There's a term for these friends – *frenemies* – a combination of the words *friends* and *enemies*. In fact, you ²... find the word in the dictionary. There are different types of frenemies, too. "Stars" are very ³..., always talking only about themselves. ⁴... you start talking about yourself, they ⁵... probably stop listening right away! "Gossips" seem ⁶... sensitive because they listen to problems carefully and seem to understand you. But be careful! Gossips will ⁷... you because they can't keep a secret. They will tell others what you said as soon ⁸... they can. Frenemies also include "promise breakers". You can never trust them ⁹... they rarely do what they promise, so, in the end, they disappoint you. They're completely unreliable. Have you got a frenemy or two? Make sure you only hang ¹⁰... with the right people.
